Resolution 2564 (2021)

Adopted by the Security Council on 25 February 2021

The Security Council,

Recalling all its previous relevant resolutions and statements of its President concerning Yemen,

Reaffirming its strong commitment to the unity, sovereignty, independence, and territorial integrity of Yemen,

Strongly condemning the ongoing escalation in Marib, Yemen, including the Houthi operation on 7 February 2021, and the continuation of Houthi attacks on Saudi Arabia, including on Abha International Airport, on 10 February 2021, and *calling* for an immediate cessation of attacks without preconditions,

Stressing the need for de-escalation across Yemen and a nationwide ceasefire, and calling for implementation of the Secretary General's Global Ceasefire call as detailed in resolution 2532 (2020), as well as his 25 March 2020 call for an immediate cessation of hostilities in Yemen,

Expressing concern at the ongoing political, security, economic and humanitarian challenges in Yemen, including the ongoing violence and enforced disappearances, and threats arising from the illicit transfer, diversion, destabilising accumulation, and misuse of weapons,

Emphasising the environmental and humanitarian risk and the need, without delay, for access of UN officials to inspect and maintain the Safer oil tanker, which is located in the Houthi-controlled North of Yemen, and *stressing* Houthi responsibility for the situation and for not responding to this major environmental and humanitarian risk, and *underscoring the need* for the Houthis to urgently facilitate unconditional and safe access for United Nations experts to conduct an assessment and repair mission without further delay, ensuring close cooperation with the United Nations,

Reiterating its call for all parties in Yemen to adhere to resolving their differences through dialogue and consultation, reject acts of violence to achieve political goals, and refrain from provocation,

Reaffirming the need for all parties to comply with their obligations under international law, including international humanitarian law and international human rights law as applicable, and *underlining the need* to ensure accountability for violations of international humanitarian law and violations and abuses of human rights in Yemen,

Expressing its support for and commitment to the work of the Special Envoy of the Secretary-General for Yemen in support of the Yemeni transition process, and an inclusive Yemeni-led and Yemeni-owned political process, under UN auspices, with the full effective, and meaningful participation of women, and *affirming* the equality of the sexes and the need for full implementation of Yemen's National Action Plan in accordance with resolution 1325 (2000),

Welcoming the formation of the new cabinet of Yemen's government, under the provisions of the Riyadh Agreement, *calling* for the full implementation of the Riyadh Agreement, and *expressing* support for the cabinet's participation in the political process and *calling for* the swift resumption of talks between the parties, in full engagement with UN mediation efforts,

Expressing its alarm that areas of Yemen remain under the control of Al-Qaida in the Arabian Peninsula (AQAP) and about the negative impact of their presence, violent extremist ideology and actions on stability in Yemen, the Middle East region, and the Horn of Africa, including the devastating humanitarian impact on the civilian populations, *expressing concern* at the increasing presence and future potential growth of the Islamic State in Iraq and Levant (ISIL, also known as Da'esh) affiliates in Yemen, and *reaffirming* its resolve to address all aspects of the threat posed by AQAP, ISIL (Da'esh), and all other associated individuals, groups, undertakings and entities,

Recalling the listing of AQAP and associated individuals on the ISIL (Da'esh) and Al-Qaida Sanctions List and *stressing* in this regard the need for robust implementation of the measures in paragraph 1 of resolution 2368 (2017) as a significant tool in combating terrorist activity in Yemen,

Noting the critical importance of effective implementation of the sanctions regime imposed pursuant to resolution 2140 (2014) and resolution 2216 (2015), including the key role that Member States from the region can play in this regard,

Encouraging efforts to further enhance cooperation,

Condemning in the strongest terms the attack on Aden airport on 30 December 2020, which killed twenty seven innocent civilians, including a Yemeni Deputy Minister and three humanitarian and health personnel, and *noting* the planned Panel of Expert reporting on the Aden attack,

Welcoming the work of the Panel of Experts on Yemen, established pursuant to resolution 2140 (2014), and which overcame the logistical challenges posed by Covid-19,

Condemning the increasing number of incidents off the coast of Yemen, including attacks on civilian and commercial ships, and expressing concern over maritime smuggling of arms and related materials into and out of Yemen in violation of the targeted arms embargo, which pose a significant risk to the maritime security of vessels in the Gulf of Aden and Red Sea along the coast of Yemen,

Condemning in the strongest terms violations of International Humanitarian Law and International Human Rights Law, as well as human rights abuses, including those involving conflict-related sexual violence in Houthi-controlled areas and recruitment and use of children in armed conflict across Yemen, as recorded in the Panel of Experts' final report (S/2021/79),

Expressing alarm over the obstacles that have been imposed on the work and access of the Panel of Experts during the course of its last mandate,

Expressing serious concern at the devastating humanitarian situation in Yemen, including the growing risk of large-scale famine and the negative consequences of the COVID-19 pandemic, and all instances of undue hindrances to the effective delivery of humanitarian assistance, including the recent interference in aid operations in Houthi-controlled areas as well as obstacles and the undue limitations on the delivery of vital goods to the civilian population occurring throughout Yemen, which is preventing vulnerable people from receiving the assistance they need to survive,

Emphasising the necessity of discussion by the Committee established pursuant to paragraph 19 of resolution 2140 (2014) ("the Committee") of the recommendations contained in the Panel of Experts reports,

Determining that the situation in Yemen continues to constitute a threat to international peace and security,

Acting under Chapter VII of the Charter of the United Nations,
